COVID-19 ADVICE NOTICE FOR RESIDENTS AND RELATIVES

From Monday 8th March the updated Government advice is:

- *You can meet one person out of doors. This can be either for the purposes of exercise or for socialising including a drink or picnic. Social distancing must be maintained.*
- You must otherwise only leave your home for essential shopping or for medical care
- You must not meet friends and family indoors
- The exception to the above rules is that, if you live alone, you can form a 'bubble' with one household. The members of this bubble cannot change. Meeting members of your 'bubble' indoors is allowed

In Addition:

- Wash your hands frequently particularly on entering or leaving your own home
- Maintain space from people you do not live with, ideally 2m but 1m is allowable if wearing a mask.
- Wear a mask in shops, on public transport and when 2m distancing is not possible
- Residents who develop symptoms suggestive of Covid-19 infection (eg temperature, cough, difficulties breathing, headache or loss of taste/smell) should inform the Wardens by 'phone. Do not visit neighbours, relatives or the GP surgery. Symptoms should be reported even if not severe. Check your symptoms on 111.nhs.uk or get your relatives, friends or the wardens to do this for you. If you think you have a Covid-19 infection speak to your GP for advice or, if out of hours, ring NHS 111

This information will be updated as further advice is issued by the Government.
