

**THE UNITED CHARITIES OF NATHANIEL WATERHOUSE  
& JOHN MACKINTOSH MEMORIAL HOMES**

**COVID-19 ADVICE NOTICE FOR RESIDENTS AND RELATIVES**

**From Monday 29<sup>th</sup> March the updated Government advice is:**

- *A group of up to 6 people from more than 2 households or an unlimited number of people from only 2 households can meet outside. Social distancing must be maintained.*
- *The 'stay at home' rule will be ended but care should be taken in public spaces. Travel and the use of public transport should be limited*
- You must not meet friends and family indoors
- The exception to the above rules is that, if you live alone, you can form a 'bubble' with one household. The members of this bubble cannot change. Meeting members of your 'bubble' indoors is allowed

**In Addition:**

- Wash your hands frequently particularly on entering or leaving your own home
- Maintain space from people you do not live with, ideally 2m but 1m is allowable if wearing a mask.
- Wear a mask in shops, on public transport and when 2m distancing is not possible
- Residents who develop symptoms suggestive of Covid-19 infection (eg temperature, cough, difficulties breathing, headache or loss of taste/smell) should inform the Wardens by 'phone. Do not visit neighbours, relatives or the GP surgery. Symptoms should be reported even if not severe. Check your symptoms on [111.nhs.uk](https://111.nhs.uk) or get your relatives, friends or the wardens to do this for you. If you think you have a Covid-19 infection speak to your GP for advice or ring NHS 111

This information will be updated as further advice is issued by the Government.
