

Mackintosh Times

Welcome to the October edition of the Mackintosh Times newsletter. Autumn has well and truly set in and before we know it, it will be Christmas!

The Overgate Big Brew

Overgate's Big Build Project aims to create a state-of-the-art hospice facility that meets the growing needs of our community and ensures every patient receives the compassionate care they deserve.

In August we held our Overgate Big Brew Coffee Morning and raised a fantastic £147.00. Overgate expressed huge thanks to everyone who contributed to our fundraising event.

Every contribution brings Overgate closer to their goal to ensure that future generations receive the care they need, when they need it most.

Guide Dogs for the Blind Talk and MacMillan Coffee morning

In September we held our Guide Dogs talk and MacMillan Coffee Morning.

The Guide Dog talk was very interesting, and we really enjoyed listening to this and, of course, meeting retired Guide Dog Toby! Guide Dogs for the Blind don't charge for their talks however, we did donate to them afterwards.

Local activities/ events

Christmas Tree Festival Halifax Minster

The Halifax Minster is proud to announce their 8th Christmas Tree Festival. Waterhouse and Mackintosh Homes have sponsored a tree so why not pop down and have a look at our tree and all the other amazing trees!

The festival runs from Friday 29th November – Monday 2nd December 2024 and is open to the public from 1-4pm daily. Please note on Sunday 1st December it opens later, at 12pm, after the Morning Service.

Activities, live music and refreshments are available. Booking isn't necessary and entry is £2.00 for Adults and Children are free. Payment by card is preferred, if possible.

The Maurice Jagger Centre

The Maurice Jagger is located opposite the bus station, down Winding Road, and has a function room which hosts a variety of activities. They hold a very popular lunch club every Wednesday and Thursday, with the exception of 6 weeks a year- when they give their hard working volunteers a well-deserved break. The cost of the 3 course lunch is around £5.00 and consists of soup, a main course dessert and tea/coffee. You do have to book, as it is not a walk in service, and they can be contacted on 01422 364691. They do also offer a transport service, but this does have a small cost and also needs to be booked in advance.

If you want any further information or would like us to contact them on your behalf, please let us know.

The AccessBus

AccessBus is a dial-a-ride service providing door-to-door local transport, seven days a week between 9am and 5pm.

The driver assists passengers from door to door, including boarding and alighting. The buses are fully accessible, fitted with seatbelts and the most up to date wheelchair restraints.

Travel is restricted to local journeys, and most are for shopping purposes such as to the local supermarket. They do provide a limited number of journeys for social purposes such as local community centres, places of worship and visits to family and friends.

It is unlikely that AccessBus will be able to cater for day and time-specific requests and, to make best use of vehicles, they serve certain areas on set days, allocating places to customers to travel on the day when the bus is in their area.

Anyone of any age can register for AccessBus. To register you can call them on 0113 3481903, Monday to Friday between 7.30am and 4.00pm. You can also print an application online on the WyMetro website (or ask Cath to print this for you).

Once you are registered you receive a welcome letter with a reference number and details of how to book the service. They make reservation bookings a maximum of 6 days and a minimum of two days in advance of travel.

People with ENCTS permits, such as Senior, Disabled or Blind persons pass travel FREE.

For other adults there is a flat fare of £3.00 each way.
